

Decades Project

- Research what a family looked like in a particular decade. (ex: 1850, 1940, etc.)
- Information to include:
 - o Family structure type and size
 - o Gender roles (men, women, children – by age group if you can)
 - o Employment (men and women)
 - o Leisure activities (men, women, children)
- Make a poster (on Bristol board) with your findings (include pictures and summarize your information in your own words on your poster to explain the pictures).
- I'm looking for grade 11-12 quality work!
- Make good efforts.
- Your name and cited sources on the back of the poster, please!
