STUDENT SUCCESS LEADER

StFX attracts students who are academically strong and highly engaged in every aspect of university life.

Students who are determined to make a positive impact on the world.

WHO AM I?

Coming from Toronto to Antigonish was certainly an adjustment, but now there's no going back for me. I love the Nova Scotia feel and have been involved with almost every aspect of campus life and I look forward to helping more students find their way into what I experienced at StFX. Send me an email and I'll be more than happy to help.

SHARE StFX WITH YOUR STUDENTS

Through you and with your guidance, I can form connections with students to both assist and guide them as they consider their post-secondary education options.
