

COURSE SELECTION GRADE 10 2023-2024

Step 1- Review Mandatory courses

Mandatory courses are listed on your sheet. These courses are preselected and must be taken if you have completed grade 9 in 2022-23.

Step 2- Fill in Choice section of the table.

Choice courses, please follow the directions below.

- Please choose 3 courses from the attached list.
- Please take into consideration your post-secondary plans and career plans when choosing.
- Please refer to the work you have done in My Blueprint to assist with your choices.
- Please place in order of preference.
- Please take into consideration prerequisites (meaning you must complete a prior course).
- Please read course descriptions to ensure you fully understand the course.
- Please make sure you have an interest in the course you are choosing.

Step 3- Fill in Alternate section of the table.

Alternate courses, please follow the directions below.

- Please choose 3 alternate courses. This is in case your choices are not available.
- Please take into consideration your post-secondary plans and career plans when choosing.
- Please refer to the work you have done in My Blueprint to assist with your choices.
- Please place in order of preference.
- Please take into consideration pre-requisites (meaning you must complete a prior course).
- Please read course descriptions to ensure you fully understand the course.
- Please make sure you have an interest in the course you are choosing.
