

## **ROTARY BURSARY**

ROTARY is a non profitable organisation who aims at helping people in their community and people at large.

We are involved in many activities throughout the year.

One of our goals is to help student pursue their dreams in attending post secondary education. Every year we give a bursary to a student who demarks himself not only academically but also in his/her involvement at school and in the community. The family income is also a factor since sometimes it is usually an obstacle to the final decision to attend a post secondary institution.

The selection is based on the following criteria:

- Community Activities
- School Activities
- Activities- cultural, sports....
- Family Income
- Academic Scores
- Hobbies and Sports

This is a \$1000 bursary for **one year**. The cheque will be given after **a proof of attendance** and **a proof of tuition paid** from the second semester is forward to us by the recipients.

Please see the attached application.
