

October 21, 2020

Dear Parents & Guardians of DRHS:

We would like to provide an update to the communication sent out yesterday.

We will continue with virtual learning for the rest of the week for all students of DRHS (Grades 6 -12). Teachers will be reaching out and working with students to ensure their learning continues.

We will be in touch about the plans for next week by Friday.

Thank you!

Mark Donovan

Superintendent
ASD-N
