Greetings,

Public Health would like to invite you to a Covid-19 vaccination clinic being held on September 25, 2021 from 10h00-15h00 at the Campbellton Regional Hospital. Students and staff who are not fully vaccinated with an approved Covid-19 vaccine, and who are eligible to receive their first or second dose of a covid-19 vaccine (a 28-day interval must be respected between dose 1 and dose 2) are encouraged to book an appointment by calling **1-833-437-1424** or online at the website below:

<https://www2.gnb.ca/content/gnb/en/corporate/promo/covid-19/nb-vaccine.html#2>

This clinic will be open for walk-ins until vaccine stock has been exhausted, however it is highly recommended to arrive early if you do not have an appointment to minimize the risk of no vaccines being available at the time of your arrival.

The vaccine being offered on September 25, 2021 will be **Pfizer-BioTech**. The minimal age of eligibility for this vaccine is 12 years old (those born in 2009 or earlier). Vaccine information and vaccine aftercare instructions are available online at the links below:

<https://www2.gnb.ca/content/dam/gnb/Departments/eco-bce/Promo/covid-19/pfizer-biotech-moderna-mRNA-information.pdf>

<https://www2.gnb.ca/content/dam/gnb/Departments/eco-bce/Promo/covid-19/pfizer-moderna-mRNA-after.pdf>

Consent forms are available at the clinic site, but it is recommended to have a consent completed prior to your arrival at the clinic. Consents can be found online at:

<https://www2.gnb.ca/content/dam/gnb/Departments/eco-bce/Promo/covid-19/COVID-19-consent-form.pdf>

Vaccination remains the number one defense against Covid-19. Vaccination is highly encouraged to protect yourself, your family, your friends, and your community.

Sincerely,

Cindy Thomas

Infirmière en Santé publique / Public Health Nurse

Coordonnatrice du programme d'immunisation/ Immunization Coordinator Zone 5
